UNIVERSITY OF SOUTH CAROLINA BEAUFORT CAMPUS CENTER PARKING 2016 EXPANSION PROJECT

BLUFFTON, SOUTH CAROLINA

The Beaufort Jasper Higher Education Commission (BJHEC), as "Owner" on behalf of the University of South Carolina-Beaufort (USCB) is seeking Statements of Qualifications and Bid Pricing from firms interested in providing professional construction services for the project known as "USCB Campus Center Parking 2016 Expansion". The Request for Qualifications/Bid Price (RFQ/B) seeks to identify qualified potential providers of the above-mentioned services and to solicit competitive bid pricing from those firms to provide professional construction services for the USCB Campus Center 2016 Parking Expansion project. All respondents to this RFQ/B are subject to instructions communicated in the RFQ/B. BJHEC reserves the right to reject any or all statements of qualifications or bids, and to waive technicalities and informalities at the discretion of BJHEC. From the issue date of this (RFQ/B) solicitation until a successful proposer/bidder is selected and the selection is announced, proposers are not allowed to communicate for any reason with any member of the BJHEC, USCB Facilities, Design and Construction division, or the Engineer except for submission of questions as instructed in the RFQ/B, or during the pre-bid conference, or as provided in any existing agreement(s). For violation of this provision, the Owner reserves the right to reject the proposal of the offending proposer.

PROJECT DESCRIPTION

The project consists of an approximate 80 space paved parking lot located on an approximate 1.5 acre site on the Hilton Head Gateway Campus of the University of South Carolina Beaufort (1 University Boulevard, Bluffton, SC 29909).

Work shall include but not be limited to contractor's layout surveying, sediment and erosion control, site clearing grubbing, excavation and backfill, curb and gutter, sidewalks, asphalt paving, pervious paving, storm water drainage, conduit for parking lot lighting, irrigation, and landscaping. Coordination with the Owner's separate contractors for parking lot lighting and materials and compaction testing services are included as part of the Professional Construction Services firm's work.

The delivery method for this Project will be design-bid-build and as a minimum will employ services of a civil engineer and a program manager in addition to the services of a professional construction services company. The budgeted amount for this project is between \$300,000 and \$350,000. The construction contract amount may differ from this budget to reflect the actual design documents and specifications. The successful Professional Construction Services Company will be required to execute a modified AIA A107-2007 Standard Form of Agreement Between Owner and Contractor for a Project of Limited Scope.

To obtain a copy of the RFQ/B and register for the communication of any changes to the solicitation please e-mail request to Ms. Abby Moonen at MOONENA@uscb.edu. Only firms obtaining copies of the RFQ/B directly from the aforementioned source will be considered for this project.

JAMES ISLAND PUBLIC SERVICE DISTRICT REQUEST FOR PROPOSALS**JIPSD PROJECT WW2016-6 BEE FIELD LOW PRESSURE SEWER SYSTEM (LPSS) EXTENSION****JAMES ISLAND, CHARLESTON COUNTY, SOUTH CAROLINA**

Sealed proposals for the Bee Field Low Pressure Sewer System (LPSS) Extension Project, James Island, JIPSD Project WW2016-6, Charleston County, South Carolina, will be received by the James Island Public Service District, from prospective bidders, in their office at 1739 Signal Point road, James Island, SC 29412, until 2:00 pm on Thursday, May 5, 2016, and at that place and time will be publicly opened and read aloud.

The Work includes providing all labor and materials for approximately 1,500 LF of 3" and 2" low pressure force main and the installation of 21 individual grinder pump stations to serve 21 residential lots. The required scope-of-work shall be in accordance with the plans and specifications prepared by G. Robert George & Associates, Inc.

A Mandatory Pre-bid Conference will be held on Tuesday, April 19, 2016, at 2:00pm at the James Island Public Service District Conference Room, 1739 Signal Point Road, James Island, SC 29412. Only attendees having legal authority to represent prospective bidders shall constitute compliance with this mandatory attendance requirement.

Copies of the Contract Documents may be obtained starting Monday, April 4, 2016 from the office of the Engineer. A non-refundable fee of \$150.00 per set payable by check or money order to the Engineer shall be required to obtain bid documents.

All questions regarding this Project shall be submitted in writing to G. Robert George & Associates, Inc., 2411 Savannah Highway, Charleston, SC 29414, via fax at 843-571-0276, or via e-mail at grgassoc@comcast.net. Questions must include the project name in the subject heading. No response will be given to questions received less than seven (7) days before the bid date.

Each proposal must be accompanied by a bid bond or certified check payable to the James Island Public Service District in the amount of five percent (5%) of the total bid price. If, upon acceptance of the bid, a Bidder fails to enter into a Contract with the James Island Public Service District, the bid security shall be forfeited to and become the property of the James Island Public Service District.

No bidder may withdraw their bid within sixty (60) days after the date of the bid opening. The successful bidder must furnish separate one hundred percent (100%) Performance and Payment Bonds issued by a surety company satisfactory to the James Island Public Service District. The successful bidder must also provide proof of fire, extended coverage, vandalism and malicious mischief insurance equal to the actual value of the insured project during construction.

Proposals may be delivered in person to the District's office or by mail to PO Box 12140, Charleston, South Carolina 29422-2140. It is the Bidder's responsibility to deliver the proposal to the specified location prior to the time for the close of acceptance of the proposal. The James Island Public Service District assumes no responsibility for submittals received after the advertised deadline or at any office or location other than that specified herein, whether due to mail delays, courier mistake, mishandling or any other reason. If the proposal is delivered by other than hand delivery, it is recommended that the Bidder verify delivery. The District will make no reimbursement for any costs incurred prior to a formal notice to proceed should an award of contract result from this solicitation.

The James Island Public Service District reserves the right to reject any and all responses and to waive technicalities as deemed to be in the best interest of the District or reject any or all bids. The James Island Public Service District reserves the right to request additional information from bidders as deemed necessary by the District to analyze bidder qualifications. Bidders are required to certify, under penalty of perjury, that bids have been prepared without collusion with other bidders, subcontractors, suppliers, etc. This certification is included with the Bid Proposal, which each Bidder must sign in the space provided.

SOUTH CAROLINA ELECTION COMMISSION ELECTION PROJECT PLAN

The South Carolina State Election Commission (SEC) seeks to procure the development of an Election Project Plan application.

The SEC is seeking a vendor/contractor to develop and support an Election Project Plan application that will increase collaboration, accountability, and efficiency between the SEC and the 46 Voter Registration and Elections offices throughout the state. This web based application should include but not be limited to:

- Accessible by the SEC and 46 county offices
- Must provide dashboards of tasks, task assignments, task completion, and project statuses
- Must provide the ability to establish critical deadlines and monitor statuses
- Ability to associate tasks with events to define all steps necessary to meet event requirements
- Task completion dates must be date specific or defined by days before or after an event
- Ability to create reoccurring tasks and assign to similar projects or elections
- Ability to archive previous projects for reference or copy to prepopulate similar future projects
- Ability to assign tasks to an individual or group
- Ability to link documents to tasks, events, and/or projects
- Ability to communicate and collaborate through email, text, and mobile device
- Include calendar view and timeline displays
- Ability to generate reports to document status reports and time requirements; utilize information for forecasting for future projects, budgetary justification, personnel planning, and transparency

Options that we would like to include are:

- Push notifications to users
- Survey tool
- Task, costs, and timeline tracking
- Mobile use

This web based application must be developed and supported using industry standards for development and security.

The SEC is seeking vendors who are qualified to deliver the requirements listed above and who have prior experience developing voter registration and election related software and applications.

Potential vendors must sufficiently demonstrate their capability to meet these requirements by providing detailed experience and qualifications in the development of voter registration and election related software and applications. Vendors who believe they have the capability to successfully deliver these requirements are invited to submit quotes (including information concerning their company's capabilities) to the SEC. Quotes over \$50,000 will not be considered. Quotes from vendors without voter registration and election related experience will not be considered.

Questions can be directed to Brian Keith Leach 803-734-9059 or bleach@elections.sc.gov.

Electronic responses to this notice should be submitted directly to bleach@elections.sc.gov no later than April 15th 2016, 11:59 pm EST.

Intent to Sole Source

SOUTH CAROLINA DEPARTMENT OF HEALTH & ENVIRONMENTAL CONTROL

The South Carolina Department of Health & Environmental Control (DHEC) is seeking qualified vendors to provide single use qualitative immunoassay reagent kits, test-specific consumables, and equipment to detect and differentiate antibodies to Human Immunodeficiency Virus types HIV-1 and HIV-2 in human serum or plasma. The test must be FDA-approved for clinical laboratories and in accordance with the Center for Disease Control algorithm for Laboratory Testing for the Diagnosis of HIV infection. The tests and instrumentation will be used by DHEC's Bureau of Laboratories.

Qualified vendors should contact Rebecca Nichols at 803-898-1262 by April 11, 2016 for additional formation.

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The links below take you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules.
